

## ACT CRM Software

With ACT! 2009 (11.0) the leading CRM software, you can easily access a complete, integrated view of your contact relationships, impress contacts with your follow-up, leave no task undone, and make informed decisions to advance your business. Since ACT! is easy to learn and use, you get up and running quickly. With more than 2.8 million individual users, ACT! continues to help business professionals like you provide superior service.

**Your business life is hectic.** Meeting deadlines and handling all the necessary details are urgent priorities for you.

**We understand.** ACT! was created for people like you who must manage a growing business and associated business relationships. You need more than a paper-based method, spreadsheet, or e-mail system where you spend too much time looking for scattered information.

**Choose ACT! and provide superior service** to your prospects, customers, or anyone you contact regularly because you have a complete, integrated view of your relationships— all in one easy-to-access location. Impress contacts with your follow-up, leave no task undone, and make informed decisions so you can successfully advance your business.
